

VIRGINIA MILITARY INSTITUTE
Lexington, Virginia

GENERAL ORDER)
NUMBER 01)

26 July 2024

Operating Rules of the Institute Schedule

1. Intent, Philosophy, and Operating Guidance of the Institute Schedule.

- A. **Intent.** To provide guidance and a basic framework that facilitates Cadet success at VMI.
- B. **Philosophy.** The Institute Schedule sets the tempo of the cadets' day according to a specific operational blueprint. It provides guidance identifying where the cadet will be, and which activities are authorized to be scheduled (and by whom) during specific periods. Constructs such as Academic Class Periods, Dean's Time, Commandant's Time, Superintendent's Time, Evening Study Period, Dean's, ROTC's and Commandant's Saturdays, and the like are designed to fence blocks of time for specific activities, to discipline the members of the Institute against encroaching on others, and to add discipline, structure, and clarity to the cadet's life.
- C. **Operating Guidance.** Provides a schedule of events to balance a cadet's academic, athletic, military and life activities to participate in a full VMI experience and qualify for graduation. When a cadet is required to be at more than one place at the same time, it is incumbent upon the *cadet* to de-conflict the situation prior to that time – asking forgiveness for an absence after the fact is not an acceptable course of action.

2. Weekday Schedule (1900 Sun - Taps Fri).

- A. **Reveille.** (0700, Mon - Fri). All cadets (except for those involved in ROTC designated physical training or authorized athletic/club practice) must be formed for Breakfast Roll Call (BRC).
- B. **Breakfast Roll Call and Breakfast** (0700 – 0750, Mon – Fri). This formation is mandatory for all cadets. Cadets who have a first CP class march to Crozet Hall for this meal. Underclass and 1st Class cadets wishing to eat in the mess hall immediately following BRC formation should march to Crozet Hall.
 - 1) New Cadets are marched back to barracks after breakfast by the cadre in company formation, receive brief information for the day, and are dismissed to prepare for the rest of the day.
 - 2) NCAA Stipulations for BRC.
All NCAA Teams will have the ability to schedule morning activities starting from 0600 to 0715. When participating in morning activities, teams will be excused from the BRC formation, accountability will be performed by the team in a manner deemed acceptable by the Commandant. NCAA Athletes will be authorized in Crozet Hall and Barracks in athletic uniforms (gym dyke or similar) until 0800 on days where they are transitioning from practice. Athletic uniforms must be

relatively clean.

- 3) ROTC Stipulations for BRC. When participating in morning PT from 0600-0715, cadets will be excused from BRC formation and accountability will be performed by the respected ROTC program. ROTC cadets will be authorized in Crozet Hall in physical training uniform (gym dyke or similar) until 0800 on days they are transitioning from scheduled physical training. Physical Training uniforms must be relatively clean.

C. **Academic Class Periods (CP).** (0900 – 1530, Mon, Wed, Fri) (0800-1530 Tue, Thu). The primary duty for cadets during the Academic Class Periods is the attainment of excellence in the academic program. Cadets must attend all scheduled classes, laboratories, and examinations unless excused by the Superintendent, Dean of Faculty, or Post Physician. When the daily class schedules are swapped (i.e. Wednesday Classes held on a Thursday), the change will only cover the time frame and periods during the Academic Day (0800 – 1530).
